EVENT DESCRIPTION

Date	12.5.2023.
Author	<i>Aida Kalem, Edvin Šimić, Lindov Osman</i>
Institution	<i>University of Sarajevo-Faculty of Traffic and Communications</i>
Event title	<i>International Conference "Advances in Traffic and Communication Technologies (ATCT)" - "Sustainable urban mobility"</i>
Event description:	
<p>At the International Conference "Advances in Traffic and Communication Technologies (ATCT)" - "Sustainable urban mobility," held on May 11th and 12th, the Faculty of Traffic and Communications at the University of Sarajevo organized a remarkable promotion of PELMOB project.</p> <p>The conference served as an exceptional opportunity to engage with industry professionals, experts, and academics from around the world who share a common goal of shaping sustainable cities. PELMOB, the flagship project presented by the faculty, garnered significant attention and admiration for its innovative approach to urban transportation.</p> <p>During the conference, the project team members actively promoted PELMOB, highlighting its core principles of personalization, electrification, and connectivity. Attendees had the chance to delve into the project's visionary concepts and witness how it is poised to revolutionize urban mobility. The interactive presentation captivated the audience, sparking meaningful discussions and fostering collaborations in the pursuit of sustainable urban transportation solutions.</p>
