EVENT DESCRIPTION

Date	20/2/2024
Author	Osman Lindov, Nebojsa Arsic, Aleksandra Petrovic,
Institution	University of Sarajevo (UNI), University of Mitrovica (UPKM)
Event title	DGTRANS Erasmus + project Inter project coaching meeting at University of Nis
Event description:	
<p>On February 20, 2024 at the Faculty of Occupational Safety of the University of Niš was organized inter project coaching meeting. The event has taken place in order to promote goals, work packages, consortium and project results as well as good practices were exchanged. PELMOB presentation was held by Dr. Sc. Osman Lindov from the Faculty of Transport and Communication of University of Sarajevo (UNSA). During the meeting, representatives from different projects presented their objectives and progress. This included detailed discussions on their specific work packages—defined sets of tasks aimed at achieving particular project milestones. These presentations not only highlighted the accomplishments and milestones reached but also identified challenges and solutions, fostering an environment of collective problem-solving and innovation.</p> <p>The event facilitated an exchange of good practices, where participants shared successful strategies and methodologies implemented in their respective projects. This exchange aimed to improve overall project efficiency and effectiveness by adopting proven practices and avoiding common pitfalls.</p> <p>Inter-project coaching meeting at the University of Niš underscored the importance of collaboration and continuous learning in project management within the field of occupational safety. It was a significant step towards fostering a community of practice that can drive forward the collective mission of improving occupational safety standards through shared knowledge and cooperative effort.</p> <p>Attached to this report are pictures and presentation.</p> <p>This event has been published on the following link: https://www.facebook.com/permalink.php?story_fbid=pfbid02MZHKHzDpsrkiDUBG4bA4bbLs6qWqhJWNsZ8PCC92jtCsyRH6Gp97bESkT28EVZbwl&id=100090535906144</p>
