Event title	European Mobility Week 16-22 september 2024, Sarajevo
Event description:	<p>EUROPEANMOBILITYWEEK is the European Commission’s flagship awareness-raising campaign on sustainable urban mobility. It promotes behavioural change in favour of active mobility, public transport, and other clean, intelligent transport solutions.</p> <p>The main event takes place from 16-22 September each year, culminating in the popular Car-Free Day. Local authorities are encouraged to use the main week to try out innovative planning measures, promote new infrastructure and technologies, measure air quality, and get feedback from the public.</p> <p>With more towns and cities joining every year, and with its huge media appeal, the campaign is widely recognised as a driving force towards sustainable urban mobility in Europe and beyond.</p> <p>The University of Sarajevo - Faculty of Traffic and Communications joined the Urban Mobility Week in Sarajevo by promoting the PELMOB project and project activities. On September 22, 2024, the representatives of the University of Sarajevo - Faculty of Traffic and Communications, at the Vilsonovo šetalište location in Sarajevo, familiarized the citizens and media about the implementation and the results of the PELMOB project so far. A presentation of the equipment was made, and promotional leaflets were distributed.</p>
