Event title	Promotion of Student Internships
Event description:	
<p>On November 14th, 2024, at the Faculty of Technical Sciences at the University of Priština, a presentation was held for the PELMOB project, implemented within the Erasmus+ program, which offer students opportunities for international collaboration and professional development through student internships. During the event, project coordinator doc. dr Aleksandra Petrović emphasized the importance of these initiatives for improving the educational system and enhancing students' professional competencies. In addition to outlining the project objectives, Petrović informed attendees about the open call for internships.</p> <p>Valentina Draškić, an international cooperation officer, spoke about the opportunities and benefits of student mobility, while Aleksa Sovrlić, one of the students of Faculty of Technical Sciences, shared his personal experiences from an exchange program, inspiring his peers to take advantage of the opportunities offered by the Erasmus+ program. This event once again highlighted the importance of international exchange for the career development of young professionals.</p> <p>This event is available the following link:</p> <p>https://www.youtube.com/watch?v=Ds4ve0kcm4k</p>
