## EVENT DESCRIPTION

Date	<b>18.11.2024.</b>
Author	<b><i>Vladimir Ilić, Radoje Vujadinović, Boško Matović</i></b>
Institution	<b><i>University of Montenegro</i></b>
Event title	<b><i>World Day of Remembrance for Road Traffic Victims</i></b>
Event description:	<p>The Faculty of Mechanical Engineering of the University of Montenegro, in cooperation with the Ministry of Transport, the Montenegrin Observatory for Traffic Safety, the Student Parliament of the University of Montenegro and the Student Organization of the Faculty of Mechanical Engineering, marked the World Day of Remembrance for Road Traffic Victims, on November 18th 2024. The event was organized in the hall of the technical faculty building through an educational forum dedicated to the safety of young road users. In addition to students and representatives of state institutions and the media, the meeting was attended by the Dean of the Faculty of Mechanical Engineering, Ph. D. Radoje Vujadinović, the President of the Board of Directors of the University of Montenegro, Ph. D. Milivoje Radović and the Minister of Transport, Maja Vukićević. On this occasion, Ph. D. Radoje Vujadinović presented to the attendees the participation of the Faculty of Mechanical Engineering in the PELMOB project and briefly presented the goals of the project. He also mentioned the activities that have already been implemented within the project, as well as their importance for the area of improving electromobility at the territory of Montenegro. Also, Assistant Professor Boško Matović pointed out that within the PELMOB project, the Faculty of Mechanical Engineering acquired valuable equipment, which will improve the quality of teaching at all levels of study in the future.</p>
