

## EVENT REPORT FORM

<b>Project title</b>	Partnership for Promotion and Popularization of Electrical Mobility through Transformation and Modernization of WB HEIs Study Programs
<b>Project acronym</b>	PELMOB
<b>Project reference number</b>	101082860/ERASMUS-EDU-2022-CBHE-STRAND-2
<b>Coordinator</b>	University of Mitrovica
<b>Project start date</b>	December 01, 2022
<b>Project duration</b>	36 months

*"Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them."*

## EVENT DESCRIPTION

Date	09/05/2025
Author	Nebojsa Arsić, Aleksandra Petrović, Osman Lindov, Natasa Gospic
Institution	University of Mitrovica (UPKM)
Event title	Scientific conference "ELECTRIC MOBILITY FOR THE GREEN AGENDA OF THE WESTERN BALKANS - TRENDS AND CHALLENGES OF SUSTAINABLE TRANSPORT"
Event description:	<p>Scientific conference with international participation "ELECTRIC MOBILITY FOR THE GREEN AGENDA OF THE WESTERN BALKANS - TRENDS AND CHALLENGES OF SUSTAINABLE TRANSPORT" was held on 09/05/2025 year in starting at 10 a.m., st. Kneza Miloša 9, Belgrade. The conference was organized by the Engineering Academy of Serbia.</p> <p>The conference is held with the support of the Ministry of Science, Technological Development and Innovation of the Republic of Serbia. The main objective of the conference was to contribute to the successful planning and implementation of national actions to reduce CO2 emissions in the transport sector, in accordance with the Green Agenda for the Western Balkans.</p> <p>The co-organizers of the Conference are: the Association of Engineers and Technicians of Serbia, FTN Novi Sad, University of Pristina with headquarters in Kosovska Mitrovica, Faculty of Transport, Belgrade, Faculty of Mechanical Engineering, Podgorica, Faculty of Technical Sciences "Mihajlo Pupin" Zrenjanin, University of Adriatic Bar, Faculty of Transport, Communications and Logistics, Budva, Srbolab d.o.o., Subotica and CIP Belgrade.</p> <p>During the welcome splashes Prof. Dr. Nebojsa Arsic, UPKM Rector and coordinator of the PELMOB project, presented the international cooperation projects Erasmus + and importance of the realisation such type of the projects in order to provide capacity building in higher education. Three of UPKM coordination projects are dealing with the Green Agenda and they are as follows PELMOB, SPHERE and DGTRANS. He explained that education potential has to be in line with the new tendencies when it is about Green Agenda of the Western Balkan and that UPKM have impressive results in this field, some of them will be presented during the conference. After opening session of the conference first presentation of the research paper prepared within PELMOB project was presented by Prof. Dr. Amela Ajanovic from Technical</p>

University of the Wien and PELMOB project partner. She presented online presentation titled **Electrification of mobility global experiences and lessons learned.**

Following this presentation next presentation was presented by Prof. Dr. Osman Lindov from UNSA, titled: **EM Implementation Technologies in Urban Areas of the Western Balkans.**

**Authors:** Osman Lindov UNSA, Aleksandra Petrović UPKM, Nebojša Arsić UPKM, Nataša Gospić Engineering Academy. This research paper has been prepared by the PELMOB project partners from three partner universities, but also Prof. Gospic was initiator for organisation this conference as well as moderator during the conference.

During this presentation Prof. Lindov presented the research results but also put emphase on the project results and how it can contribute to the implementation Technologies in Urban Areas of the Western Balkan contribute to the sustainable transportation and what is important to be don in order to go forward in the realisation sustainable transportation strategies.

Following presentations given by order participants according to agenda (attached to this email), all participants made conclusions after discussion and conference ended at 14:30 p.m.
